

CHT Equipment List for
July 17th and 18th, 2009

The following is a list of all equipment makes and models that will be used at the BC CHT site for testing. The list may change from test to test so be sure to check http://www.bclna.com/bclna_prof_development.htm for the most up to date list. Equipment noted as 'Primary' is the model we expect to use for testing; equipment noted as 'Secondary' will be on site for backup. You should be familiar with all models listed.

Disclaimer: For reasons beyond BCLNA's control, equipment substitutions on test day may be necessary.

Contact the supplier noted to make an appointment to view or test drive the equipment.
